

Jason Michaels' Introduction

Jason Michaels has been seen on stages from Las Vegas to Shanghai, from the Caribbean to London and numerous cities in between. He has been performing magic and illusions for almost two decades and has studied with some of the great modern-day illusionists like Brett Daniels, The Pendragons and The Hamners. He most recently won two international magic competitions. Those that have seen him live have said, "If you want to be blown away, you need to see Jason!"
